Interview TRAINING INSTITUTE, FARIDABAD

Imagine an upcoming interview. How confident will you feel when you enter the interview premises ?

Will you be fully prepared to handle the educational qualification related questions ?

How should you handle the questions related to past experience ?

How should you be dressed ? What should you say when asked about your expectations ?

Imagine an institute that prepares you for an upcoming interview.

GET PREPARED FOR THAT DREAM JOB:

Are you targeting a specific role in your dream company. Interview Training Institute will not only help you prepare for the 3 interview rounds but will also set up weekly meetings with career counsellors and ex-employees from your dream company. This will give you a feel of what to expect when you join.

TIME REQUIRED TO PREPARE : APPROX 3 MONTHS

I found my dream job and each day is now exciting

GET PREPARED FOR THAT APPLIED POSITION:

If you were looking for a new position and have found something that looks suitable, it is still advisable to prepare before you jump right into the interview board room. We will help you brush up your academic knowledge by our qualified faculty and will also allow you time with our behavioural coaches who will advise you on things to do or avoid during the interview.

TIME REQUIRED TO PREPARE : APPROX 2 WEEKS

I now have the confidence to look at my interviewer as my friend

GET PREPARED FOR THE SURPRISE OPPORTUNITY:

Whoa! Sometimes the big opportunity is just around the corner and you are feeling the jitters. Your anxiety is ready to be shared with our experts who suggest you quick tips on cracking that interview. The selection or rejection is sometimes dependent on just a differentiating remark that you could make to impress the interviewer. Our HR faculty might help tremendously.

TIME REQUIRED TO PREPARE : APPROX 2 DAYS

I was the most well informed candidate during the interview; felt nice.
